

## Westfield Fire Department Needs Your Help to Secure A \$10,000 Grant!

October was National Fire Safety Month. In recognition of this, Liberty Mutual Insurance Company is offering a \$10,000 grant to ten communities who have the highest number of residents take a fire safety quiz. **You will not be solicited by Liberty Mutual Insurance Company if you do send in the quiz.** This is something nice you can do for your Westfield Fire Department. If you have multiple email addresses for your household, they each would count as one vote as long as the names and email addresses are different. Get your children involved and have them take the quiz. They learn about fire safety and earn a point, too (as long as they have a different email address). Voting will start on October 21, 2009. Here are the details.

### Be Fire Smart Community Grant Opportunity

Would you know what to do in case of a fire? Would your kids?

These are BURNING questions being addressed in each community as the Holiday season approaches. Year after year the number of fire related incidents rises, and we rely on the efforts of the brave men and women who make up our local Fire Departments. Liberty Mutual is a proud partner of the International Association of Fire Fighters and is teaming up with local communities to increase Fire Safety Education. **Community members who go online, educate themselves, and take a quiz will help win a \$10,000 grant for the Westfield Fire Department!** The contest runs from October 21<sup>st</sup> to December 21<sup>st</sup> and the top 10 communities across the country with the most completed quizzes will win the grant. We will only be competing against cities our size! Don't put this off, **take the quiz now by going to the website!** The next step is to call all your **friends, family, and neighbors** who are served by the Westfield Fire Department and get them to take the quiz also. **Thank you in advance for helping us win this Grant for the Westfield Fire Department.**

Jim Ake, President Centennial HOA
